78	Edmondson Ticket Dating Machine, complete/working with ribbon.	32
79	A selection of railway publications inc; GWR Towns & Villages with updates, BR(W) folder Engine Classes & Colour routes, BR(W) Diesel Railcars, BR(W) Chargeable Distances/Fares (1964), BTC Charges Scheme (1957) and several railway acts, Railway Directory/Yearbook 1974	12
80	Delightful LMS book with drawings of Signal Box layouts/diagrams from all the boxes on the Clifton Extension Railway. Looks very old and the spine needs attention. Several boxes were closed well before the 2nd World War. The drawings are of professional quality and the detail will be of interest to the signalling historian etc. Also several MR boxes noted in Gloucestershire.	50
81	Midland Railway book similar to the previous lot, the drawings show all the MR boxes in the Bristol area, and again are very well drawn with loads of detail. Again the spine needs attention. Several boxes noted as being closed pre-war and several in 1940.	56
82	BR folder showing signal locations from CHARFIELD Signal Box (Gloucestershire) with interlocking etc. Some pieces stamped LMS S&T Fishponds 1949. This was the location of the Charfield Disaster (13th October 1928) which claimed 15 lives mostly to fire (including 2 children who were never identified).	14
83	Great Western Railway Jigsaw Puzzle "The Romans at Caerleon" in its original box.	10
84	Southern Railway and P & A Campbells joint letterpress poster (small). Paddle Steamer/Rail Excursions to Devon & Cornwall. June 1933 masses of closed stations. Slight stain on one side lettering not affected. If you felt so inclined you could have gone to Barnstaple Town Station and had a ride on the delightful Lynton & Barnstaple Railway.	5

85	Bakelite Lamp Repeater with red/white arm. Last examined 11th May 1944.	28
86	GWR Power Box (Fringe Box) Absolute Block Instrument, housed in Mahogany case and used in mechanical boxes that were the next block post to the Bristol 1930's Power Boxes. The instrument is of the same design as those housed in the Power Box panels and these were produced by the companys signal works in Reading. Very rare do not miss this superb item.	600
87	GWR Train Describer again from a fringe box serving the 1930's GWR system. Housed in a Mahogany case with super descriptions including St Phillips Marsh Shed, Clifton Line, Marsh Pond, Badminton & East Depot. Good condition with a small crack in the plate glass. Again a rare instrument.	1000
88	Southern Railway cover/folder Continental Handbook, includes 1930's bus maps etc.	5
89	Ballast Rake marked GWR on the handle.	12
90	Mixed Signalling lot 2 BR Ivorine Lever plates on their fixing brackets, 2 signal I D plates B2 & B302 from Bathampton and a C/I Cover plate W R Sykes Interlocking Signal. together with a Railtrack Great Western Sectional Appendix 2001 showing Signalling/layouts on the GW System.	2
91	GWR Leatherette bound book with title in gold. GWR Miscellaneous instructions for the conveyance of Merchandise & Live Stock 1930. slight foxing to cover. Masses of info.	5
92	A mixed PW Lot BR PW bag containing Red/Yellow/Green PW flags & the not often seen chequered advanced look out flag. a Acme PW Look out horn, a whistle & two BR Look Out Arm Bands (enamel).	16
93	BR(W) Guards Lamp with vessel.	36
94	Similar to lot 93.	46

95	Bardic Lamp with base missing (suitable for spares).	n/s
96	BR Guards Lamp.	26
97	BR(W) Signal Lamp.	22
98	Brass Cabside from Pannier Tank 7435 (ex loco condition) including a copy of record cards. Built at Swindon Sept 1948 and scrapped 24 July 1964 its last two sheds being Barnwood and Stourbridge. Excellent example of a GWR brass cabside in the condition found at the end of steam, shows no signs of having been cleaned.	810
99	A pair of dray lamps (very good condition).	26
100	Locomotive reversing handle (ex loco condition).	5
101	2 copies of Bournes (David & Charles) GWR & Midland.	34
102	1 box of GWR pen nibs (assorted sizes)	5
103	Pullman hot water jug	26
104	Signal box token key. ONLLWYN - CRYANT.	100
