227	6 x Whole plate official Black & White photographs of subway trains, New York City Transit Authority. Created in 1953 these are superb pics from that period.	14
228	4 copies of the Railway Directory & Year Book. 1960/61, 62/63, 65/66, 68/69. Masses of information & superb adverts.	5
229	A quantity of enthusiasts colour pictures of locomotives including preserved railways. Some negatives included. Copyright passes to the purchaser.	28
230	GWR buff label from the Weston, Clevedon & Portishead Railway from Clevedon Running Shed 29/8/1940 concerning loco 0-6-0 No.5 being sent to Bristol St. Phillips Marsh en-route to Swindon (presumably for scrapping). This follows the closure of the W.C & P Rly on 18/5/1940. No.5 was purchased from new from Manning Wardle in 1919 and was unusual in that Colonel Stephens usually purchased his locomotives second hand, only two new	50

locomotives were purchased in its 42 year history.

The reference books on this popular line all state there is no record of the disposal of this loco, but this unique label clearly shows the GWR included her in a train to Swindon works. The GWR print reference is (2670) 16000 Nov/1939. Also includes a black & white postcard of No.5. A must for any W.C & P enthusiasts, a unique historical item.

231	1960s poster "The Dart Valley Railway" showing 0-4-2T 1420.	38
